This edition is presented as a student pack consisting of the textbook and student CD-ROM. The text provides full and detailed coverage of the Preliminary and core HSC content and the student CD-ROM contains option modules. The CD-ROM also contains interactive tutorials which address concepts students often find difficult or may be too difficult, dangerous or expensive to demonstrate via hands on or other learning activities. All questions are presented in a form totally consistent with the expression and intent of syllabus and exam. Clear explanations of concepts in language students can understand. Innovative and stimulating full-colour design. Student friendly, easy-to-follow layout including clearly structured sections. Relevant, high-interest material that draws on student interest and experience. Knowledge and understanding are developed in the Prescribed Focus Areas, within the Contexts outlined by the Board of Studies. Clearly marked extension material covering the very latest advances in biology.
