The American Journey introduces the reader to the key features of American political, social, and economic history. Written in a clear, engaging style with a straightforward chronological organization, it provides students with a solid framework for understanding the past. This book gives prominent coverage to the West and South and highlights the importance of religion in American history. It traces the emergence of distinctively American ideals and the way the conflict between those ideals and reality has shaped our nation's development. It brings alive the crucial issues and events behind the continuing effort of Americans to live up to their ideals. Appropriate for readers interested in U.S. History.
